## DESCRIPCION DEL LIBRO CANADIANA

Unas preciosas crónicas de viaje, en forma de memoria personal, sobre uno de los países más prósperos de occidente: Canadá. ¿Acaso tienen los pueblos felices historia? Tras vivir cuatro años en Canadá, Juan Claudio de Ramón se percató que el conocimiento que tiene el resto del mundo sobre este próspero país al norte de Estados Unidos era prácticamente nulo, pero sin embargo escondía una valiosa historia por contar. A lo largo de estas páginas, se va desvelando la discreta epopeya canadiense y vamos descubriendo las reflexiones de un convencido socialdemócrata sobre lo que significa el buen gobierno, la vida en sociedad, lo que hace que un país prospere o fracase, que permanezca unido o se separe, y la forma que toda comunidad política sana y futura debería tener.
