DESCRIPCION DEL LIBRO ECCE HOMO

El último año de vida lúcida de Friedrich Nietzsche (1844-1900) es un año de intensa y fructífera actividad. En apenas ocho meses, de mayo a diciembre de 1888, compone siete obras memorables. Entre ellas, unas pocas semanas antes del definitivo colapso mental, redacta esta genial e impresionante autobiografía que es *Ecce Homo*, uno de los productos más extraordinarios dentro del género y, probablemente, el más singular de los escritos nietzscheanos. En esta espléndida pieza literaria, donde la autoalabanza y el juego irónico consigo mismo se conjugan de modo insuperable, Nietzsche nos descubre algunos de los rasgos más fascinantes de su carácter y de su vida, a la vez que relata con concisión y precisión admirables el germen, la atmósfera, el sentido de cada uno de sus libros. El tono de resonancias apocalípticas, deliberadamente provocador, con el que se anuncia aquí la inminencia de una crisis que aún sentimos cercana, constituye un reto más al lector, enfrentado al misterio de lo que la propia obra de Nietzsche representa ante el desafío del nihilismo.
