DESCRIPCION DEL LIBRO INXALA

Inxala es un viaje interior inspirado en la figura del poeta Rimbaud y sus vicisitudes por el cuerno de Africa, una intensa novela que narra, con soberbia agilidad, la historia de un medico que lo deja todo para viajar hasta la lejana Djibuti. Inxala nos acerca al dia a dia de un protagonista que renuncia a sus rutinas, afectos y certidumbres para buscar la libertad y explorar su propia identidad. Inxala es un relato profundo y original, una declaración de amor, un libro de viajes y de aventuras intimas, en el que descubriremos que solamente donde se es extranjero se puede escribir la leyenda.
