### DESCRIPCION DEL LIBRO REUNION

Reunión describe las duras jornadas que siguieron al desembarco del Granma en las costas de Cuba, cuando Ernesto Guevara se forja como combatiente de la revolución. A través de una vívida narración en primera persona, la voz del Ché evoca los días agotadores entre los manglares, las adversidades que debió enfrentar junto a sus compañeros de armas y su bautismo de fuego en la batalla de Alegría del Pío. La intensidad de Reunión, su épica construida a base de emociones, es una muestra del incomparable talento de Julio Cortázar, que supo retratar toda la profundidad humana de una de las figuras más admiradas del siglo xx. Las ilustraciones de Enrique Breccia recrean los momentos más sobresalientes de esta crónica.
